

# Comparing Two Digit Numbers

**Materials:** numeral cards (0-9), cards with symbols  $<$ ,  $>$ , and  $=$

---

1. Use your 0-9 cards. Turn over 4 cards and make two different 2-digit numbers.
2. Use the symbols  $<$ ,  $>$  or  $=$  to compare the numbers you make.
3. Record and repeat.

$$\boxed{4} \boxed{7} \boxed{>} \boxed{1} \boxed{4}$$
