

# Show One Less

**Materials:** numeral cards (0-10 or 0-20), ten frames, double ten frames, counters, recording sheets

---

1. Work with a partner. Place the numeral cards facedown in a stack.
2. Turn over the top card in the stack. Put counters on your ten frame to show **one less** than the number on the card.
3. Read the sentence frame to your partner.
4. Record your work.
5. Repeat with other numeral cards.
