

# Count by Fives

**Materials:** Count by Fives board and cards

Count by Fives

		600		
		765		
760		890		
895		915		

1. Work with a partner. Shuffle the cards and deal them facedown in two equal piles.
2. Take turns to turn over the top card on your pile and place it on the board to make a correct sequence. Explain your thinking.
3. Keep taking turns until all cards have been placed on the board.

## Count by Fives

		600		
		765		
		890		
		915		

Count by Fives cards:

590	595	605	610
755	760	770	775
880	885	895	900
905	910	920	925

When counting by  
fives the number  
before \_\_\_\_ is \_\_\_\_.

When counting by  
fives the number  
after \_\_\_\_ is \_\_\_\_.

Five more than \_\_\_\_ is  
\_\_\_\_\_.

Five less than \_\_\_\_ is  
\_\_\_\_\_.
