

# 6.SP Math Homework Problems

## Task

Over a two week period, Jenna had the following number of math homework problems given each day:

20, 0, 7, 10, 1, 11, 0, 25, 15, 1.

- What is the mean number of homework problems Jenna had?
- What is the Mean Absolute Deviation for the number of homework problems?
- What do the mean and Mean Absolute Deviation tell you about the number of homework problems Jenna had over these two weeks?
