# Ten Ones and More Ones

Materials: numeral cards 11 – 19, counters

_____

1. Turn over a numeral card. Say the number.

2. Use counters to show the number as ten ones and more ones.

3. Write the number. Draw the counters. Circle ten ones.

4. Write two addition equations showing the number as ten ones
    and more ones.

5. Repeat with a different numeral card.

$$13 = 10 + 3$$
$$10 + 3 = 13$$
